

Mike Farrell

Mike Farrell is a traditional stand up comedian from Yorkshire who work to either all male or mixed audiences. No props, no gimmicks, strong material and the professionalism to put it across. He rates as the top after dinner comedians on the circuit.

He is an ideal comedian for sporting dinners where he has followed all ! Sir Geoff Hurst, Jimmy Greaves, Jack Charlton, Denis Law, Docherty, Sir Garfield Sobers, Geoffrey Boycott, Barry McGuigan, Merson, Matt Le Tissier and many more.

He is perfect for Rotary and Round Table dinners where he can tailor material to suit the audience, and he is asked on a regular basis to be guest comedian by sporting personalities for their testimonial and banquets. Having entertained the Institute of Directors and many industrial companies at their annual dinners he is also ideal for corporate evening events and often rounds off the day at conferences.

He is always very much in demand for golf day dinners for golf clubs and also company golf day dinners where many companies are so impressed they want him back again the following year.

The Yorkshire Comedian

Mike Farrell went down a storm. He hit the nail on the head and did a great job. I've had good reports from everyone!

Julie Hutchins – North West Aerospace Alliance

Mike went down very well with the audience – a very funny man, with a dry, understated sense of humour and clever wit.

Peter Robinson – Rotary Club of Kettering

Just a short note to say that over 270 guests at the CBI North West Annual Dinner found Mike Farrell very funny. He really was one of the best I've heard and everyone laughed all night and he delivered a great performance. I would not hesitate to recommend him to anyone having a corporate event.
